

Dear NWOSU Student,

If the COVID-19 pandemic has caused job loss, substantial reduction in income, or financial hardship to your family, you may be eligible to have your 2021-2022 financial aid adjusted. If your family income has been reduced, please complete the following steps:

- 1) Complete your 2021-2022 FAFSA with your 2019 tax information at www.studentaid.gov. Make sure NWOSU is added as a school on your FAFSA (code is 003163).
- 2) Print and complete a “21-22 Dependent Special Conditions” or “21-22 Independent Special Conditions” form. These forms can be found at <https://www.nwosu.edu/paying-for-college/financial-aid/files-and-links>.
- 3) Signed copy of 2020 taxes, including W-2s for parent and student (if student worked).
- 4) Any unemployment documentation.

Turn in **COMPLETE** packet (all items listed above) to the Financial Aid Office in Herod Hall. Incomplete packets will not be processed. Additional documentation may be required after initial review.

If you have not filed a FAFSA or are not a FAFSA eligible student, please contact the Financial Aid Office to discuss your financial hardship as a result of the COVID-19 pandemic.
