

Reporting Information Needed

1. Name of reporting office -
 - **STUDENT AFFAIRS AND ENROLLMENT MANAGEMENT**
2. Academic Year of report
 - **2018-2019**
3. Number of special events/activities/programs/initiatives that were designed and delivered to serve diverse populations of NWOSU students, faculty, staff.
 - **Talked to each Ranger Connection class about Title IX Policy**
 - **Discussed Title IX at Freshman and Transfer Orientation**
 - **Heritage Month Committee – Provided multiple displays on visual screens and display in library, for each heritage Month recognition/celebration.**
 - **Provided students, who still owed a bill for their current semester, an opportunity to enroll for the upcoming semester, which helps prevent a student from not being able to enroll in a class due to it being closed. This threshold amount on a student’s bill is set each semester and is not predetermined. This initiative helps many students who are low income and/or who are working themselves to pay off their balance.**
4. Outreach services provided which support minority and diverse student recruitment/enrollment/retention.
 - **Attended College Application Night at Guymon High School. Also attended a College-FAFSA assistance night to help families with completing a FAFSA. Guymon serves a large Hispanic population.**
5. Trainings and conferences attended by staff which focused in whole or in part on diversity awareness and engagement.
 - **Attended the Monthly Council on Student Affairs meetings which provided guest speakers discussing and informing the council on issues such as serving first generation students, LGBTQ, Title IX, ADA, and many other topics.**
 - **Attended sessions at Higher Learning Commission’s Annual Conference addressing the topic of serving First Generation and Low Income students in college.**
