

REQUIREMENTS FOR ARTS AND SCIENCES DEGREES (Non-Teaching)

Note: Transfer students with an Associate of Arts or Associate of Science degree from an accredited Oklahoma institution are exempt from general education requirements (except one course of American History and one course of American Government are required). Some general education course requirements may be met via CLEP, DSST, APP, and other advanced standing tests.

Any substitution of alternative general education courses must be approved by the appropriate school dean and the Vice-President for Academic Affairs.

Any course substitution in a major or minor course area must be approved by the major or minor area department/division chair, the school dean and the Vice-President for Academic Affairs.
