

2025–2026 Verification Worksheet

Independent Student V1

Your application was selected for review, or “verification.” We are required by federal law (34 CFR, Part 668) to compare the information from your Free Application for Federal Student Aid (FAFSA) with the information provided on this form. Please complete the entire form and ensure both the student and one parent whose information is included sign the form. **Incomplete forms will be returned to you. No determination of aid eligibility can be made until all requested documents are received and reviewed.**

1. If you provided consent on the FAFSA and *did not* make any changes to that information, a 2023 tax return transcript is not necessary.
2. Complete all sections and sign the worksheet – you must sign the worksheet.
3. If you did not file or are not required to file an IRS 1040, you must affirm that you are not required to file an IRS 1040 and include a copy of 2023 W-2 Forms from all employers.
