

Semester	Physical Science Course Rotation Course Name
Fall 2025	General Physical Science
Fall 2025	General Astronomy
Fall 2025	Earth and Space Science

Semester	Physical Science Course Rotation Course Name
Spring 2026	General Physical Science
Spring 2026	General Astronomy
Spring 2026	Earth and Space Science

Semester	Physical Science Course Rotation Course Name
Summer 2026	General Astronomy

Semester	Physical Science Course Rotation Course Name
Fall 2026	General Physical Science
Fall 2026	General Astronomy
Fall 2026	Earth and Space Science

Semester	Physical Science Course Rotation Course Name
Spring 2027	General Physical Science
Spring 2027	General Astronomy
Spring 2027	Earth and Space Science

Semester	Physical Science Course Rotation Course Name
Summer 2027	General Astronomy

Semester	Physical Science Course Rotation Course Name
Fall 2027	General Physical Science
Fall 2027	General Astronomy
Fall 2027	Earth and Space Science

Semester	Physical Science Course Rotation Course Name
Spring 2028	General Physical Science
Spring 2028	General Astronomy
Spring 2028	Earth and Space Science

Semester	Physical Science Course Rotation Course Name
Summer 2028	General Astronomy

Semester	Physical Science Course Rotation Course Name
Spring 2029	General Physical Science
Spring 2029	General Astronomy
Spring 2029	Earth and Space Science

Semester	Physical Science Course Rotation Course Name
Fall 2028	General Physical Science
Fall 2028	General Astronomy
Fall 2028	Earth and Space Science

Semester	Physical Science Course Rotation Course Name
Summer 2029	General Astronomy
